6740/ With much deference to the Secretary I think when we have a separate official Gazette called the "Egyptian Gazette" it will be misleading to have a private publication called the Egyptian Gazette. And I would suggest that the matter now put in the Fortnightly weekly Circular be published as a supplement to the Egyptian Gazette or as a separate Part. This can be done [illegible] at less cost than is now [illegible]

×Sl No. 25

With reference to your letter No: ×14323/J.1480 dated 3rd instant, requesting me to state whether the Kannarese translation of the Police Fortnightly Circular can be undertaken in this office without further cost to Government, I have the honor to inform you that the present translator has got quite as much, if not more than he can get through at present in consequence of which delays in the Gazette notification occasionally occur, and that therefore the translation in this office cannot be undertaken except at an additional cost to Government, but at the same time as the translation of the Police Circular would only occupy an additional hand a short time, his spare time could be employed with advantage in helping the present translator and in examining Kannarese proofs.

As regards the actual charge to Government

Government I would calculate it as follows.

	Rs.	As	ps
Composing and Printing 156 English pp at Rs 1/- per page	156	0	0
Composing and Printing 192 Kanarese pp at Rs 1/- per page	192	0	0
60 Reams of paper at Rs 2-7-1 per Ream.	146	9	0
Translator at Rs 25/- per mensem	300	0	0
Total Rs	794	9	0

156
192
146/9 494-9
300

This however could be considerably reduced by economising space in setting up and paper as I notice that the present setting up is tremendously spread out and which gives me the impression that it is paid by the page.

To sum up I think that it would be economical to Government to hand this work over to the Press.

SIR,

With reference to your docket No. 15169/1547 dated 19th instant, I have the honor to state that Messrs. V. B. Subbiah & Sons, who print and publish the Mysore Police Gazette are not paid for the Cost of paper or by the number of pages they print, that the sum of Rs 656 paid to them is

a Contract amount per annum for 100 English and 506 Canarese Copies irrespective of the number of pages printed and the Cost of paper, translation &c., and that they actually supply 108 English and 513 Canarese Copies for the same amount. The increase in the number of Copies is due to the opening of some new Sub-Stations in the District and to the appointment of a separate Superintendent for the Kolar Gold Fields &c.

Besides the above, they print some of the important Circulars of this office free of Cost.

I further beg to state that

Messrs
